# ABOUT US

## Market Distribution

■ EUROPE ■ AMERICA  
■ ASIA ■ OTHERS

Most of our customers are importers and distributors who represent Sherwood in their markets.

They are located in UK, Germany, Spain, Australia & USA

Customer in UK has an urgent order with a low volume on their production line. However, he shifts other orders to Sherwood Taiwan to reduce costs and increase production volume.

We also work with customers worldwide who manufacture machines such as industrial instruments, audio & visual equipments, health facility & measuring equipments,.. etc. We support them from development phase to production stage.

# ABOUT US

## Sales turnover
